## ABOUT BIOFRESH PURE CLEANING

BioFresh Pure Cleaning is a certified Women-Owned Business Enterprise (WBE) headquartered in Georgia, providing premier commercial cleaning and facility maintenance services across the Southeast United States. Founded by three driven women with a shared mission to deliver excellence, BioFresh has built a reputation for reliability, professionalism, and results.

We specialize in the services that large facility management companies need most — Post-Construction Cleaning, Data Center Cleaning, Day Porter Services, Bio-Decontamination, Floor Stripping & Waxing, and Epoxy Installation. Our teams are trained, vetted, and equipped to meet the demands of enterprise-level contracts.

# WHY PARTNER WITH BIOFRESH

Our Value Proposition

## COMPETITIVE ADVANTAGES

### ✓ WBE Certified

Diversity spend eligible — helps you meet WBE/MBE spending requirements for government and corporate contracts.

### ✓ Fully Insured

General liability and workers compensation coverage. COI provided upon request for any contract.

### ✓ Scalable Teams

Single technicians or full crews. Day Porter, night crews, and emergency response all available.

### ✓ Specialized Services

Data center cleaning and epoxy installation set us apart from general janitorial vendors.

### ✓ Background-Checked Staff

All technicians vetted, background-checked, and drug screened. Cleared for secure and government facilities.

### ✓ EPA-Approved Products

Bio-safe, environmentally responsible products approved by the EPA. Safe for all building occupants.

### ✓ Southeast Coverage

Mobile teams covering GA, AL, FL, TN, NC, SC, MS, and LA.

### ✓ 24/7 Response

Emergency cleaning response available around the clock. We meet urgent deadlines without compromise.

### ✓ Proven Track Record

DR Horton, BlackRock, Turner Construction, Cox Automotive, Mercedes-Benz, and RW Smith.

### ✓ Dedicated Account Manager

Every partnership gets a dedicated point of contact for scheduling, reporting, and quality assurance.
